

**Saturday April 20, 2024, Membership Luncheon Meeting, 11:15 am–2:00 pm**

*We are proud to announce that our speaker for the October meeting is Tom Begley, Deputy Director of Collections, Research, & Public Engagement at Plimoth Patuxet Museums.* Mr. Begley earned a bachelor’s in U.S. History from Stonehill College and is completing his master’s in Public History at the University of Massachusetts, Boston. In his current role, Tom directs the research facilities and the operations across the exhibit and living history spaces. Tom served as editor on the facsimile of William Bradford’s *Of Plimoth Plantation* published in collaboration with the State Library of Massachusetts. The book includes a full copy of the original Bradford manuscript in high resolution and contextualization by staff of both the State Library of Massachusetts and Plimoth Patuxet. From a literary, historical and material cultural lens, this is a key text for both New England and national history. There will be copies available for purchase at the meeting.
